Subject: Reclamation Contract, Kimmerle Mining, Pine Ridge Mine, S/037/0120; San Juan County, Utah

Dear Mr. Kimmerle:

The Notice of Intention to Commence Small Mining Operations (NOI) for the Pine Ridge mine has been transferred to Denison Mines. The Division of Oil, Gas and Mining is returning your original reclamation contract and Certificate of Deposit for your records.

You are released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new NOI to the Division, and satisfy the requirements of other appropriate agencies, and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Tom Munson at (801) 538-5321. Thank you for your patience.

Sincerely,

Paul B. Baker  
Minerals Program Manager
